**RE: GRI notice for Far-East to USA & Canada**

Dear Valued Customer,

Following announcements are issued by major Steamship Lines, please be advised of the intended **NEW** General Rate Increase (GRI) for all Eastbound cargo from Far East and Indian Sub-Continent origins to all destinations in Canada and USA with details as follows:

**Effective July 15<sup>th</sup>, 2023**

*USD 900 per 20' standard container*

*USD 1,000 per 40' standard container (40' x 8'6")*

*USD 1,125 per 40' high cube container (40' x 9'6")*

*USD 1,275 per 45' container*

We will continue to monitor closely how market will react to this GRI and will update you when there is a change.

We appreciate your continued support as a valued customer and should you require any further information or clarification, please do not hesitate to contact your account manager or customer service representative.

Best Regards,

**DB Schenker**
