Why choose DB SCHENKER?

Creating a long-term strategic Customs Brokerage partnership

At DB SCHENKER, we pride ourselves on delivering high-quality, reliable, and efficient customs management services, tailored to meet the unique needs of our clients. Our extensive experience in the logistics industry, combined with our commitment to excellence feed into our core competences as below:

Speed and Accuracy

We deliver customs documentation quickly and with exceptional accuracy levels, utilising the latest technologies.

Strict Compliance

With AEO accreditation and a team of over 100 skilled customs brokers, we ensure your customs declarations meet all necessary regulatory standards.

Diverse Expertise

Our customs department handles all transport modes and a wide range of entries including CFSP, IPR/OPR, transit documents, specialist entries for food/plants, and CITES/IPAFFS declarations and license applications.

Dedicated Support

Dedicated central point of contact for all your customs inquiries, flexible to meet your requirements and support post-implementation, offering guidance on regulatory updates and process optimisation.

Extensive Support

Our out-of-hours service and presence across major UK ports, airports, and ETSF locations ensures we're always available to support your customs needs wherever and whenever your shipments move.

Visibility and Reporting

We collaborate closely to understand your requirements, making sure the metrics, format, frequency, and content align with your specific needs.

Efficiency at the Border

Our use of Simplified Frontier Declarations and pre-lodgement processes reduces delays and ensures smooth cross-border trade.

Innovative Technology

With AI-powered automation and seamless EDI connections, we streamline customs clearance and provide efficient integration into your supply chain.
