## **Fuel Surcharge**

## **Dear Customer**

I am sure you are aware that the price of fuel has risen considerably. A fuel surcharge has been introduced and will only be applied when the average price of diesel exceeds 95p per litre excluding VAT for a period of one month.

The escalator will be used to evaluate the appropriate level of surcharge and is monitored and adjusted if necessary, on a monthly basis. We use the price per litre published by the Road Haulage Association to set our rate.

Details of the applicable banding will be available on our website and updated monthly.
