

# DB SCHENKER *system home*

fra 01.12.2024

Schenker offers 2 alternative delivery options when the recipient is a private person:

## 1. Home delivery - at the door

DB SCHENKER *system home* is a service for transporting goods from a company to recipients with a private address. For calculating the price for home delivery, the pricelist for DB SCHENKER *system* will always be the baseline and an additional price / surcharge will be calculated. The surcharges vary depending on if the consignment is delivered curbside, which is standard for the service, or carried indoor. It must be stated in the booking if the consignment should be carried indoor.

### Surcharges homedelivery (NOK)

## 2. Delivery – at work

Delivery at work is a service for transporting goods from a business customer to a private recipient at his/her workplace. For calculating the price for home delivery, the pricelist for DB SCHENKER *system* will always be the baseline. NOK 54 per shipment will be added per shipment.

## 3. Delivery – collecting at the terminal

The recipient can collect the shipment himself/herself at the terminal. There will be an additional NOK 32 per shipment.

## 3. Other

In addition to what is mentioned here, have a look at “Charges and Surcharges - Domestic Land Transport” and Schenker’s standard terms and conditions for transport.
